

Cyber Safety Tips to Always Follow

- 1 I will not give out personal information, including my name, phone number, address, parents' names, and the name of my school without asking my parents first.
- 2 If something pops up while I am on the Internet that I don't know or am uncomfortable with I will go directly to my parents first.
- 3 I will not give any passwords to anyone, including my friends, other than my parents.
- 4 I will not talk to anyone online who I do not know or who my parents do not know.
- 5 I will never send anyone a picture of my family or me without asking my parents first.
